

Dear Parents,

This was a month filled with fun & surprises and lot's of learning at "St.Mira's High School". Here is the gist of what children learnt.....

THEME

Transport/ Road safety/ Traffic signals

Children learnt about different modes of transport and the purpose of each type.

They got to know the safety precautions to be followed on the road.

They learnt about the importance of traffic rules & signals to be followed.

LITERACY / NUMERACY

The students are able to write a to z in sequence and are familiar with the sounds.

Children are able to read sight words.

They are trying to write two/three letter words.

Children are able to write numbers from 1 to 100.

Recite numbers orally 1 to 100
Children are able to associate number to its number value.

They are able to write number names
One to Twenty
